

## ***The Kabarak Call for Peace and Ecojustice***

*The Kabarak Call for Peace and Ecojustice was approved on 24 April 2012 at the Sixth World Conference Friends, held at Kabarak University near Nakuru, Kenya. It is the culmination of the FWCC World Consultation on Global Change which was held in 2010 and 2011. It is being circulated with the Conference Epistle.*

In past times God's Creation restored itself. Now humanity dominates, our growing population consuming more resources than nature can replace. We must change, we must become careful stewards of all life. Earthcare unites traditional Quaker testimonies: peace, equality, simplicity, love, integrity, and justice. Jesus said, "As you have done unto the least... you have done unto me". We are called to work for the peace-able Kingdom of God on the whole Earth, in right sharing with all peoples. However few our numbers, we are called to be the salt that flavours and preserves, to be a light in the darkness of greed and destruction.

We have heard of the disappearing snows of Kilimanjaro and glaciers of Bolivia, from which come life-giving waters. We have heard appeals from peoples of the Arctic, Asia and Pacific. We have heard of forests cut down, seasons disrupted, wildlife dying, of land hunger in Africa, of new diseases, droughts, floods, fires, famine and desperate migrations—this climatic chaos is now worsening. There are wars and rumors of war, job loss, inequality and violence. We fear our neighbors. We waste our children's heritage.

All of these are driven by our dominant economic systems—by greed not need, by worship of the market, by Mammon and Caesar.

Is this how Jesus showed us to live?

We are called to see what love can do: to love our neighbor as ourselves, to aid the widow and orphan, to comfort the afflicted, to appeal to consciences and bind the wounds.

We are called to teach our children right relationship, to live in harmony with each other and all living beings in the earth, waters and sky of our Creator, who asks, "Where were you when I laid the foundations of the world?" (Job 38:4)

We are called to do justice to all and walk humbly with our God, to cooperate lovingly with all who share our hopes for the future of the earth.

We are called to be patterns and examples in a 21st century campaign for peace and ecojustice, as difficult and decisive as the 19th century drive to abolish slavery.

We dedicate ourselves to let the living waters flow through us—where we live, regionally, and in wider world fellowship. We dedicate ourselves to building the peace that passeth all understanding, to the repair of the world, opening our lives to the Light to guide us in each small step.

Bwana asifiwe. Apu Dios Awqui. Gracias Jesús. Jubilé. Salaam aleikum.

Migwetch. Praise God.
