<p><i>In March FMC formally ended its membership in the Cambridge Interfaith Sanctuary Coalition (CISC). This decision is not an end to our Sanctuary work. Individuals can and are continuing their sanctuary work within and outside CISC. Perhaps it's the beginning of a new chapter for us and our community. Your ideas and the love you've shown are important. What ways do we see the Living Spirit at work when we engage in Sanctuary? How is the racism/hate from our government affecting you? How does Sanctuary movement help? How are we still involved in the 3 aspects of the Coalition's covenant? In what ways is Spirit guiding Friends now? What did we learn from our two years of helping harbor a beloved family who is at risk for deportation? When the Meeting decides to follow a leading (corporate) like Sanctuary, what ways has this deepened community and deepened our sense of Spirit's "Peaceable Kingdom." Refreshments to sweeten the group. RSVP requested (but not required) to Holly Lapp or Minga Claggett-Borne at rsvp-sanctuary@fmcquaker.org. Let us know if you want childcare ASAP.</i></p>
