## LOGISTICS

- Please remember to **Bring Your Own Lunch** if you plan to stay beyond the morning worship. Beverages will be provided.
- **Overnight Hospitality:** Cambridge Friends are offering limited overnight hospitality for Friends coming from a distance. **If you would like Friday night hospitality**, it is necessary to contact Jonathan Vogel-Borne at ([jvb@thebornes.org](mailto:jvb@thebornes.org)) (617) 599-8153 or Michael Wajda at ([mfwajda@gmail.com](mailto:mfwajda@gmail.com)) (484) 639-3356 by **March 22, 2024**.
- **If you could offer carpooling or hospitality**, please let us know.
- **Parking:** The meeting has a small (10 cars) parking area behind the meetinghouse. Parking is also available on Saturday in Longfellow Park circle. All other parking near the meetinghouse is resident only parking. There are parking lots in Harvard Square (5 minute walk).
- **Public Transportation:** Take the Red Line subway to Harvard Square, walk out Brattle Street to Longfellow Park.
- **Announcements:** In order to allow us to hold the deep experiences of the longer worship, and the reflective time in the afternoon, we ask Friends not to plan to make announcements at the end of either session of the extended meetings. The only announcements that we will make will concern the extended meetings themselves. If you want to share information about another upcoming Quaker event, we ask that you bring the information in printed form, which can be put on a table at the venue where we meet.
- **Regarding Covid:** Masks will be optional, and we will spread out in the meeting room. If on that weekend you have any symptoms of COVID, flu, or a cold, please do not attend.

***Our vision is to strengthen yielding to the Living Presence in all Quaker gatherings for worship and business so that the Inward Teacher can truly do its work of astounding guidance and infinite love.***
